Core Policy and Information

See information below or for additional details visit www.rapcoinc.com/core

For shipping instructions see below or visit www.rapcoinc.com/core

Dry Air Pumps

New Dry Air Pumps - No core charge

Overhaul Exchange Dry Air Pumps - Core charge for all series of \$100.00 will be billed at time of purchase.

Core Return/Credit - Repairable like model RAPCO or Airborne aluminum Dry Air Pump cores must be returned to RAPCO Inc. within 6 months of invoice date for full core credit.

Extra Cores - We pay \$25.00 for each extra non exchange RAPCO or Airborne repairable aluminum core. Note on core - Extra Core.

Fuel Pumps

Core Charges on all Fuel Pumps will be billed at time of purchase.

Core Return/Credit - For full core credit repairable same manufacturer and part number core must be returned to FSS in Monroe WI as soon as possible within 6 months from date of invoice.

Airborne or Dukes Overhaul Exchange Fuel Pumps - NO OUTRIGHT SALES. Only same manufacturer and part number will be accepted for credit. If you do not have a repairable Airborne or Dukes core, please first find the same part number in repairable condition in order to exchange it. In some cases they may only be available as a customer property overhaul.

RAPCO Inc. brand New Fuel New pumps are available outright with a core charge, or sold as an exchange.

RAPCO Inc. brand Overhauled Fuel Pumps are available outright with a core charge, or sold as an overhaul exchange.

Extra Cores - If you have extra cores for sale please contact Fleet Support Services at (608) 329-6661 or www.fleet@rapco.net
